Dear Prof Gordon

IRAS project ID:	237150
REC reference:	18/LO/0660
Short Study title:	REMAP-CAP [COVID-19] [UPH]
Date complete amendment submission received:	12 April 2022
Amendment No./ Sponsor Ref:	AM035
Amendment Date:	12 April 2022
Amendment Type:	**Substantial**
Outcome of HRA Assessment	**HRA and HCRW Approval for the amendment is pending** – HRA and HCRW Approval for the amendment will be separately confirmed by email.

I am pleased to confirm that this amendment has been reviewed by the Research Ethics Committee and has received a Favourable Opinion. Please find attached a copy of the Favourable Opinion letter.

HRA and HCRW Approval Status

As detailed above, **HRA and HCRW Approval for this amendment is pending**. HRA and HCRW Approval for the amendment will be separately confirmed by email. You should not implement this amendment at participating NHS organisations in England and/or Wales until HRA and HCRW Approval is issued.

User Feedback

The Health Research Authority is continually striving to provide a high quality service to all applicants and sponsors. You are invited to give your view of the service you have received and the application procedure. If you wish to make your views known please use the feedback form available on the HRA website: http://www.hra.nhs.uk/about-the-hra/governance/quality-assurance/.

If you require further information, please contact me.

Kind regards

Joe Wakeham
