Completed Amendment Tool [Amendment Tool]	1.6	24 February 2022
Other [Patient Follow-up Letter tracked]	1.3	17 February 2022
Other [Patient Follow-up Letter]	1.3	17 February 2022
Other [Online questionnaire landing page]	1.0	17 February 2022
Research protocol or project proposal [UK-ROX Trial Protocol]	1.4	17 February 2022
Research protocol or project proposal [UK-ROX Trial Protocol tracked]	1.4	17 February 2022

Membership of the Committee

The members of the Committee who took part in the review are listed on the attached sheet.

Working with NHS Care Organisations

Sponsors should ensure that they notify the R&D office for the relevant NHS care organisation of this amendment in line with the terms detailed in the categorisation email issued by the lead nation for the study.

Amendments related to COVID-19

We will update your research summary for the above study on the research summaries section of our website. During this public health emergency, it is vital that everyone can promptly identify all relevant research related to COVID-19 that is taking place globally. If you have not already done so, please register your study on a public registry as soon as possible and provide the HRA with the registration detail, which will be posted alongside other information relating to your project.

Statement of compliance

The Committee is constituted in accordance with the Governance Arrangements for Research Ethics Committees and complies fully with the Standard Operating Procedures for Research Ethics Committees in the UK.

HRA Learning

We are pleased to welcome researchers and research staff to our HRA Learning Events and online learning opportunities– see details at: <https://www.hra.nhs.uk/planning-and-improving-research/learning/>

IRAS Project ID - 288506:	Please quote this number on all correspondence
